

IEEE1394 Series Connectors

IEEE-1394 SERIES CONNECTORS TROUGH HOLE SMT & R/A

Key Specifications/Special Features:

- 306 series: SMT, R/A
- 307 series: through hole, R/A
- Materials and finish:
 - Insulator: nylon and glass fiber, UL 94V-0
 - Contacts: brass or phosphor bronze
 - Shell: copper alloy, tin-plated
 - Contacts finish: selective gold-plated
- Electrical characteristics:
 - Contact current rating: 1.5A
 - Contact resistance: 30mOhms max.
 - Dielectric withstanding voltage: 500VAC
 - Insulation resistance: 1000Mohms min.
 - Temperature rating: -25°C to +85°C
